Akinsiku Oluwafemi

Open Portfolio

I am a software developer with a passion for building products with great design, I am fueled by my passion to keep learning and improving myself with the skill-set needed to work with any technology, that's why I consider myself, a forever student, eager to master a skill and move on to the next.

Community-Experience

#BuildforSDG Challenge 2020 - Programme Assistant

Facebook and Andela partnered to up-skill developers across Sub-Saharan Africa, through a six-week immersive program where selected developers work in agile remote teams to build projects relating to the SDGs.

Hackathon4Justice Mentor

Facebook and UNODC came together in Jan 2020 to hold an hackathon for undegraduates in Nigeria,developers where shared into teams and they built products for social good and justice. I mentored the developers and was also a code reviewer on that day.

DevC Training With Andela Mentor

#DevCTrainingwithAndela is a Facebook and Andela partnership to train 2500 developers across Nigeria and Kenya in web development technologies. I gave technical help in Feb 2019 to learners by assisting them with challenges related to their learning.
